

DAVIDSON BIRTHDAY BOOK PROGRAM

The "Birthday Book" program helps to provide books for our library and a chance for students to do something special for their birthday. Students may purchase a book for the library on his/her birthday for a set fee of \$7.00. Summer birthdays may be purchased anytime throughout the year. They will choose from a selection of new books acquired by the library. A special bookplate with their name and school year will be placed inside the front cover and they will have the opportunity to read the new book first. Every student that donates a book will be recognized on the Birthday Book Club bulletin board. They will also receive a special bookmark and pencil.

Davidson Library Birthday Books for 2009-2010

Student's name

Teacher's Name

Birthday Month

Please send \$7.00 (checks payable to Davidson Elementary) in an envelope to Karen Stewart, Library Media Specialist.

Thank you!
